

Community Counselling Centre
of London

VISION and MISSION

Provide affordable counselling services to people who need it in the Argyle neighbourhood, the City of London and beyond.

Provide quality training and clinical placement hours to therapist interns under direct supervision.

Community Counselling Centre
of London

Two-fold vision

Community Counselling Centre
of London

To provide
affordable
counselling services
to people with
limited income.

To train therapist interns
to provide quality
counselling under direct
supervision

VALUES

- All people have worth and value.
- All people deserve to be treated with dignity and respect.
- All people deserve access to affordable counselling services.
